Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
-----------------	--------	----------

1. Run weekly yoga sessions for 2 classes per week (for a half-term) across all year groups.	Each class F2-Y6 took part in yoga sessions designed for wellbeing.	During the summer term, only 1 class took part in yoga with the second session being used for a small target group. This proved successful for targeting specific pupils.
2. Increase the number of Physical Activity Clubs in Key Stage 1 & 2 including during lunchtime and after school.	Football club for younger pupils was added.	More variety needed and discussions held with PE lead to add more clubs from Autumn 2024. Lack of indoor space was a challenge due to hall being used by Beehive Club. More sporting opportunities to be added during lunch from Autumn 2024.
3. Improve the ability for children to engage in physical activities by transporting children to activities and events.	Achieved	Children attended more competitive events during the academic year including football tournaments.
4. Substantially improve resources for PE including the purchase of new football goals and other essential resources	Achieved	New equipment purchased including goals. Further resources identified for new academic year. Storage facilities to be improved.
5. Increase interschool sporting activities. Aim for one event per half term.	Achieved	Mostly competitive football competitions. Plan to be involved in all MAT competitions during next academic year.
6. Provide taster sessions for new sports to be run as extra-curricular clubs.	Partially Achieved	Only fencing provided as a taster session.
7. Run Play leaders and peer mentors throughout the year.	Partially Achieved	Peer mentors now clearly established and in place. Play leaders needs additional focus during next academic year when new staff in place.
8. Develop PE Subject Leader to create new assessment systems	Partially Achieved	PE Subject lead received support from SIA in order to develop knowledge. Will take more guidance from MAT (Joined Jan 2024) for further development in assessment in PE.

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	87%	<i>This information will be added after Y6 children are taught and assessed for swimming during this academic year.</i>
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	84%	

What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	80%	
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum Requirements after the completion of core lessons. Have you done this?	Yes/No	N/A will monitor
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	No	NA due to pool providing all swimming instruction
