

Heswall Primary Spring Survey 2017

This survey was conducted on three successive parents meeting evenings. It was also on the school website for a two week period. Parents were able to answer the questions anonymously, revealing only the class that their child is in. We are pleased that the response has been extremely positive.

What class is your child in? (110 responses)

There was a broad range of responses from parents of children in most classes.

My child feels safe at school (110 responses)

Approximately 96% of parents stated that their child feels safe in school.

My child is making good progress. (110 responses)

Approximately 89% of parents stated that they felt their child was making good progress.

My child is taught well in this school. (110 responses)

An overwhelming majority of 96.4% of parents feel that their child is taught well in this school.

There is a good standard of behaviour in this school. (110 responses)

A large majority of 89% of parents feel that there is a good standard of behaviour in this school.

The school is improving. (110 responses)

A large majority of 90% of parents feel that the school is improving.

I feel welcome in the school. (110 responses)

An overwhelming majority of 99.1% of parents feel welcome in the school.

I would recommend this school to other parents. (110 responses)

An overwhelming majority of 94.5% of parents would recommend this school to other parents.

I read the January 2017 Ofsted report. (110 responses)

A majority of 68.2% read the full Ofsted report. A small minority of 5.5% did not read the report.

Do you look at the school website? (110 responses)

Most parents regularly look at the website. 43.6% visit it at least once a week. A small minority of 2.7% have never visited the school website.

Do you read the newsletters? (110 responses)

An overwhelming majority of 96.4% read the newsletters.

Do you look at the school Twitter feed? (110 responses)

A large proportion of the parents have never looked at the school's Twitter feed although approximately half the parents have visited it in the past.

Do you feel that the school communicates effectively with parents?

(110 responses)

An overwhelming majority of 98.2% of parents feel that the school communicates effectively with parents.

What is your child's favourite area of learning? (110 responses)

Maths was the winner in terms of what our parents feel is their child's favourite subject.

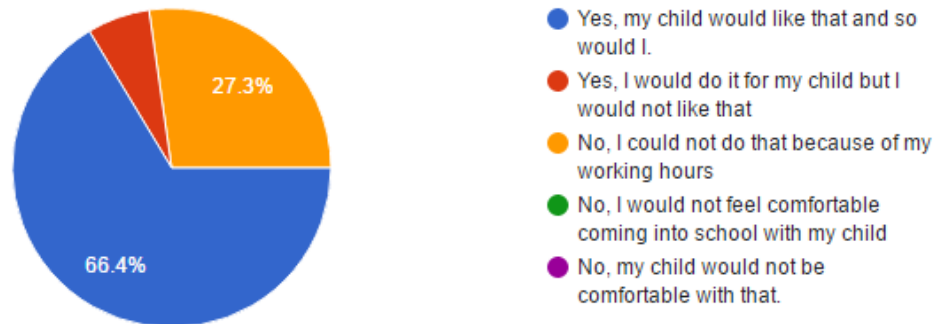

What was your favourite subject when you were at school? (110 responses)

Our parents preferred Science though!

If the school held an after school club that involved parents/carers working with their children, I would come (if it was something my child is interested in or a possible one off taster session).

(110 responses)

Lots of our parents would like to complete an after school activity with their children. We also understand that for many people, their working hours do not make this possible.

I am pleased to be able to say, "My child goes to Heswall Primary."

(110 responses)

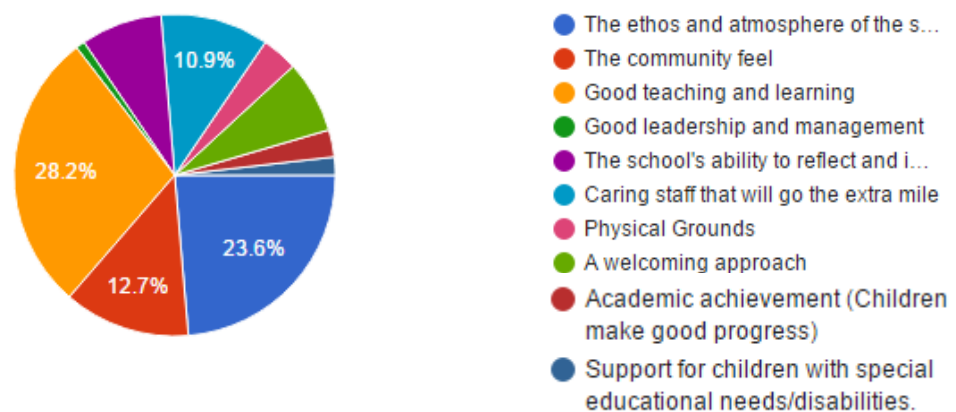

97.2% of our parents are pleased to be able to say that their child goes to Heswall Primary.

Do you attend HSA meetings? (110 responses)

Only a minority of 7.3% of parents that completed the survey attend HSA meetings although a further 18.2% do attend sometimes.

Finally, what do you think is the best feature of the school? (110 responses)

The biggest positive was 'Good teaching and learning'.

Thank you to everyone who completed the survey. We will use this information to drive forward future school improvement.
