

P.E and Sports at Heswall Primary School 2018/2019

Heswall Primary is committed to providing high quality physical education and sport for all our children.

This includes:

- The progressive teaching of fundamental skills.
- A wide breadth of physical activities and sports.
- Opportunities for all children to engage in competitive sport and activities.
- Encouraging children to develop specific skills and talents.
- Working with local partners such as local sports clubs, private and volunteer providers.

The PE and Sports Premium The government introduced the P.E. and Sports Premium in 2013. The premium received for schools with over 16 pupils is £8000 plus £5 per child in Years 1-6.

‘The P.E. and Sports Premium is designed to help primary schools improve the quality of the P.E. and Sports activities offered to pupils.’

From the 2017/18 academic year, schools with 17 or more pupils receive £16,000 plus £10 per pupil. This is calculated on the number of children between Y1-Y6, as recorded in the January 2018 Census.

P.E. and Sports Premium for the 2018-2019 Academic Year.

Funding Available: £17,920

- Train new Sports Leaders and utilise in Key Stage One during lunch hours. **Ongoing**
- Maths of the Day **Achieved (no longer subscribing)**

- Lunchtime table tennis club **Not yet achieved**

Success in the last year 2018/19

Heswall Primary School has had a good year with sport in the local community. The Year Six mixed 7 a-side football team remained unbeaten and won the Houlihan Cup for Small Schools. This is the first time that the school has ever won this trophy.

The school football also retained the South Deeside Primary School Federation Competition – (The Dodd cup-Y5 tournament) for the third successive season.

Yoga sessions been introduced to work with a number of children to support them with social and emotional support.

Children have also taken part in competitive Netball competitions within the local cluster of schools.

Showcase assemblies have taken place to highlight new sports to children because of other children that have achieved success in the sport. We have done assemblies on tumbling in gymnastics and shown videos of children performing in competitions. We have also done this with judo. We continue to celebrate the effort that our children have produced to have sporting success and continue to use this to inspire others as well as introducing new possibilities.

The school was named as an 'Outstandingly Happy School' through the Art of Brilliance. We used this to inspire children to work towards healthy attitudes both in terms of sport and their general social and emotional well-being.

Barriers to Success

Key Stage 2 has been extended during the Summer Months and this has meant that much of the playground has been taken up by the contractors. Tracks such as the planned daily mile were not completed and will be reviewed in the next academic year. New fences making the school even more secure will be erected in the Autumn term. On completion, the entire site will be available for children to access under supervision.
